SYNTHETIC DEMO DOCUMENT.
This file is fictional and was written for a software demonstration.
It is not legal advice, and it does not describe a real client or a real firm.
This engagement letter is between Northwind Advisory LLC and Cedar & Pine Retail Cooperative, which is fictional.
The letter is dated June 15, 2026.
Cedar & Pine Retail Cooperative asks Northwind Advisory LLC to observe the annual inventory count at the fictional Cedar Warehouse.
The fieldwork lead named in this letter is Andre Williams.

Fees and dates for the Cedar & Pine engagement are stated on this page.
The professional fee for the inventory observation is $42,000.
Out-of-pocket expenses for this engagement are billed at cost with no markup.
Fieldwork at the Cedar Warehouse starts on July 8, 2026.
The inventory observation report is due on August 12, 2026.

Andre Williams will attend the count and draft the report.
The report will describe the count Northwind Advisory LLC observed.
The report will not value the inventory.
Cedar & Pine Retail Cooperative will give the team access to the warehouse on July 8, 2026.
